THE OKEECHOBEE SALE

CATALOGER — FRED L. LAKE

WELCOME TO SALE #57

Our sale contains just about everything for the numismatic researcher, "bibliomaniac", or the reader interested in seeing how interesting the world of numismatics can be. From the early catalogs of B. Max Mehl to books on the treasures to be found at the bottom of the sea, there are nearly 700 lots of fascinating material. Please take the time to explore each section of the catalog, you will find some real "gems".

ON-LINE REPORT

I liken the way the computer business is set up to the plumbing industry. "One size does NOT fit all." Because of this, we have set up our "Current Sale" page with three different options for downloading each sale catalog. The options are WordPerfect, Microsoft Word and PDF (Acrobat Reader). We will post each sale a few days after we have mailed the catalog in order to give everyone an equal opportunity to place their bids early.

The prices realized list for each sale is also posted to our web site within a few days of the close of the sale.

Please take a look at us by visiting www.lakebooks.com. We welcome your comments and suggestions.

PAYPAL - CREDIT CARD PAYMENTS

We have used the payment service, PayPal, for more than a year and can report that we have experienced no problems with it. If you would like to charge your payment to your MasterCard/Visa account, go to this Internet address:

<https://secure.paypal.com/refer/pal=fredlake%40aol.com>

PayPal is now accepting International users for most countries around the world.

Enjoy the sale and Good Luck with your bidding!

TERMS OF SALE

1. This is an unrestricted mail bid sale. All lots will be sold to the highest bidder. Enter your bid by lot number. Please feel free to bid as much as you wish on each lot, with the realization that all bids will be treated as limits and all lots will be sold below those bids as competition dictates. Bids that are not entered in good faith or are deemed to be totally ridiculous will be refused at the cataloger's discretion. Prices listed are estimates only.
2. Closing date for this sale is Tuesday, April 10, 2001 at 5:00 P.M. (EDT). Email and FAX bids will also be accepted until that time. Tie bids will be awarded to the earliest bid received. Bids received after the closing time will not be honored.
3. Bidders who are unknown to us are requested to supply two trade references prior to the sale or submit a deposit equal to twenty-five percent (25%) of their total bid.
4. A ten percent (10%) Buyer's Fee will be added to each lot won. **A packing charge of seventy-five cents per lot (minimum \$3.00) plus shipping charges will be added.**
5. TERMS: Cash or check, payable in U.S. funds. Payment is due upon notification of successful bids. A late charge of \$1.50 per month will be added to all invoices over 30 days. Title to all lots remains with Lake Books until paid for in full. Delivery may be postponed until full payment is received, at the discretion of the cataloger.
6. Unsuccessful bidders will be notified by mail in a prompt manner. We recognize the importance of liquidity of funds and will return deposits on a priority basis.
7. A Prices Realized List will be mailed to each bidder. A copy of the prices realized may be ordered for delivery after the sale. The price is one dollar (\$1.00) for those persons who are not bidders.
8. Mail Bid Sales are not approval sales. No lot may be returned without written authorization and this must be requested within seven days after receipt of lots purchased.
9. All books are as described. Any errors or typographical mistakes will be happily corrected.
10. The cataloger has attempted to describe the condition of each lot as to signs of wear. If no descriptor is noted, it may be assumed that the lot is in Fine(F) to Very Fine(VF) condition.
11. Telephone bids are accepted. If you so desire, you will be informed as to whether your first bid is a successful bid or not. A second bid may then be offered, but with the provision that this second bid will not be reduced as competition dictates.
